Passenger Service *Baby Bassinet 3 pin mounted*

PNR 7253-XX • mounted

The 3 pin mounted Innovint Baby Bassinet is the perfect bed for a baby when you are travelling with the aircraft. Its size makes baby feel secure and comfortable, and it is light and portable enough to carry to any stowage in the aircraft.

The baby Bassinet is easy to fold- unfold, and easily installed at cabin furnishings.

The unique handling makes it easy for the daily crew operation.

- High comfort
- Light-weight 5 kg
- Easy handling
- Easy retrofit
