*Liner Baby Bassinet*

- Antiviral and antibacterial
- Unlimited washing cycles
- High comfort
- Easy handling
- Flame retardant
- Oeko Tex Standard 100 – Class 1, baby products

In accordance with:

- EASA-CS/FAR 25.853 a App. F PT. (a) (1) (i)

The baby bassinet liner is made of a fire retardant, antiviral, antibacterial felt, which is very light, comfortable in touch and can be washed unlimited times without the loss of its properties. It is designed to comfort babies to the most extend.

The liner is easily installed and removed within seconds and fits all shapes of Innovint supplied baby bassinets.

Color of the liner is pink (sorry for the boys!).
